

Issue 19
June - July 2022

HP Source is a bi-monthly newsletter, funded by Hardingstone Parish Council, compiled and edited by a team of volunteers for Hardingstone Village.

From your editorial team

It has been a rush job to get this edition through doors before the Jubilee celebrations are happening. The village has planned for a bumper 4 days of fun for HM The Queen's Platinum Jubilee. We hope that many of you will take part. There was a suggestion that residents could decorate the front of their properties with a scarecrow depicting one of the seven decades of The Queen's reign, so let's get busy! Leave them out for the four days together with your red, white and blue. The proposed timetable of events is printed inside together with more detail of the family picnic on the Rec.

Do send HP Source your photos of the events and let us have any recollections of those who actually experienced the Coronation in 1953.

DO KEEP THIS EDITION FOR FUTURE REFERENCE.

This issue sees a renewal of our advertisers: some are new, and some have updated details, so please look at them carefully. Articles, notices and advertisements published in the newsletter do not necessarily represent the views of the editorial team or the Parish Council, and we take no responsibility for the content. We do not endorse products, services, events, businesses, organisations or individuals featured and / or advertised.

Hardingstone community

Huge thanks to everyone who supported the fundraising events at the church on the weekend of May 7- 8th.

The gospel choir concert raised £375 for the PCC, and the plants, cakes, stalls & open garden made £740 for the Supporters of St Edmund's.

A magnificent total of £1,115

which is greatly appreciated & much needed to keep us functioning.

On behalf of the church, thank you.

The Well

Patrons of the community café have enjoyed a few themed mornings this springtime. After celebrating St Patrick's day with all things Irish, at the end of March we devoted one week's takings to Marie Curie Cancer Support, raising £120 for the charity.

We enjoyed hot cross buns at Easter and celebrated St George's day on 23rd April. The police pop in to give us some valuable advice and answer our questions every 6 weeks or so, and we are supporting the Dementia Awareness charity during the national week in May by means of a short talk with an expert and a donation of the takings.

The bunting will be out for the special Jubilee coffee morning on 3rd June - Her Majesty's favourite music and cake will be served, and visitors are invited to bring along anything of Royal interest. Further themed and charity mornings will take place during the summer; please drop in and join us – a warm welcome awaits you.

Putting the heart back into Hardingstone

FoH are donating £250 to the MurALL project that will brighten up the defaced walls in the Rec. Some of us will be giving our ideas to the muralist with our reflections over the past decades and importantly our hopes for the future. We encourage others to take part in this venture.

We've made bunting at Pins & Needles that will be used to decorate the trees in the churchyard overlooking High Street (thanks to Jan). FoH helped Supporters of St Edmunds at the plant and cake sale. We helped serve refreshments, supplied homemade cakes & ran book, plant & general sale tables. We know some of you enjoyed Joan Martin's beautiful garden. Thank you Joan & team.

Notes from the Parish Council

The Parish Council are very disappointed about the vandalism that has occurred to the picnic benches in the Recreation ground. This may be a bit of fun for a few for a short time but spoils many peoples' enjoyment of this valuable open space and replacement costs have to be met from your council tax. If you have any information please let the police know.

The Parish Council, with Hardingstone Organisations Together, has been heavily involved in making plans to celebrate the Queen's Platinum Jubilee. On Thursday 2nd June we are holding a Tea Party for those who may remember the coronation. There are still places available. Please contact the clerk to book your place. There is a family picnic and fun day event on the Rec on Sunday 5th June. See adverts in this magazine, on the noticeboards and social media for more information.

Volunteers and parish councillors, have replanted the floral display around the war memorial garden and we hope the flowers will be in full bloom for the Jubilee. Pictures on P8.

As many of you are aware there are plans to build a new Community Centre as part of the development by Tilia at Landimore Park. The Parish Council has been offered this building, to own and take on the management. The Parish Council has spent a great deal of time considering the pros and cons of taking on this facility. There were some alterations that we asked Tilia to include in the building, but Tilia were not willing to do them, so this, and the fact that we do not have the expertise, led to the council deciding to decline the offer of the building. The centre will still be built, but will probably be run by a private management company.

Work has commenced on the bike park on the old Hardingstone 9 golf course. The Parish Council was expecting another meeting to take place with West Northants Council before work started to reiterate our concerns about adverse impacts on the village and the public footpaths. As this did not materialise, a further meeting will be arranged.

After several years of negotiations with solicitors who move at snails pace, it looks as though we might at last be somewhere near completing the acquisition of Cherry Orchard for the village. However we have thought that several times before. We'll let you know if and when it's sealed, signed and delivered.

In early May we held the Annual Parish Meeting. This is not a council meeting but an opportunity for residents to see what is happening in the village. We had several community groups, the Police and West Northants Councillors gave updates and reports. We would like to encourage more residents to attend village and Parish Council meetings. If you have any ideas on how we could entice you to come and see and comment on what is happening in your village please contact the clerk.

Our thanks go to Nick Briddon for his work on the council over the last year. He has just resigned as councillor due to leaving the village. We wish him all the best. This does leave a vacancy on the council, and if anyone is interested in becoming a parish councillor please contact the clerk or an existing councillor for more information.

The next Parish Council meetings are on Tuesdays June 7th and July 5th at 7:30pm in **Bouverie House**.

LET'S DESIGN A MURAL ON HARDINGSTONE REC

WE NEED YOUR HELP
PAINTING & FUNDING

EVERYONE IS WELCOME TO JOIN IN the collaborative design and painting of this 70 metre long mural in honour of the Queen's Platinum Jubilee. This legacy artwork, on the breezeblock wall alongside Hardingstone Recreation ground in Northampton, will depict the highlights of the Queen's 70 year reign. Like the Platinum Jubilee Pageant, we will also include our hopes and aspirations for the planet and our community over the next 70 years. The mural project will be led by Nicki Blanchard, an international muralist and teacher of participatory muralism. Her expertise has been secured for us thanks to a grant from the Northamptonshire Community Foundation. Please scan the QR code above for more information about the "MurALL" process, which empowers communities to heal spaces with colour using eco-friendly paint.

We will be leading co-design sessions in June, and painting sessions throughout July and August. To find out more:

- Email hardingstonemural@gmail.com
- Follow 'What's on in Hardingstone' Facebook
- Contact Hardingstone church
- Watch for posters on village noticeboards

St. Edmund's Church are leading this project on behalf of "Hardingstone Organisations Together" groups. We are grateful to the Constance Travis Endowment Fund for Northamptonshire for the grant for Nicki's Fees, but we do need sponsors to help with the cost of paint and materials. This is a significant sum, to cover eco-friendly paint and protective sealant on a 70 metre concrete wall, plus paint brushes, buckets, cloths etc for hundreds of people over 6 weeks of painting. As a sponsor, your name or the name or logo of your company will be included in the mural as a permanent acknowledgement for your generous donation. For more information or to contribute to Hardingstone's mural project, please visit the QR code above, <https://www.crowdfunder.co.uk/p/hardingstone-jubilee-murall> or contact the Church.

Church services and pastoral care

For those of you on 'the socials', please follow the new 'St Edmund's Church, Hardingstone' Facebook page that Rev Julie has started. This will provide up-to-date details of services, pastoral support etc.

For the rest of us, please look at the noticeboards or collect a pew sheet from the church, because Rev Julie will be changing the service pattern during the summer.

A new face to welcome

Later this summer, Rev Julie will be joined by the Reverend Margaret Simmons, currently Associate Minister at St John the Baptist Hillmorton. She will become House for Duty Priest in the Living Brook Benefice and St Mary the Virgin Far Cotton, having special responsibility for the villages of Piddington and Quinton.

This long-awaited appointment will enable Rev Julie to devote much more of her time to the parishioners of Hardingstone and Far Cotton.

Musica at St. Edmunds

On opening my programme at Musica's concert on Saturday 19 March at St. Edmunds Church, I was filled with eager anticipation as this looked like my kind of evening.

Musica Charity Choir MK sing songs and music of all styles with a tag line of "something for everyone".

They most definitely put us "In the Mood" for what was to come, following it with a dash of Mozart, a splash of VE Day and a brief escape over the water to Alan Trenet's glorious La Mer, with superb solo items along the way.

Part Two included Gershwin, Paul Simon, some reflective moments, the delights of Swingle Singers style Bach and ended with "What a Wonderful World".

The final applause told it all, this was a highly professional performance, much enjoyed by the evening's audience.

I am sure Musica will return to Hardingstone very soon, and I very much hope that next time, the Church is full. This was a performance worthy of the Dergate or Wavendon stage and beyond but, on our very own doorstep and at a fraction of the price !

Caroline Morris.

Hardingstone Neighbourhood Watch

Hardingstone has been experiencing several acts of vandalism and anti-social behaviour during the past two months. Police told residents at a meeting that people were not reporting incidents, so they have not been aware of the scale of some of the problems. They say even if you feel that you or your property has only been slightly interfered with, you should report that to them. If you see anyone damaging or attempting to interfere with items, Police say it's a 999 call, 999 is not just for major incidents. Your call will be triaged.

Police need the timing of when several wheelie bins have been knocked over in 3 roads on Thursday nights, when antisocial behaviour on the Rec is

happening and when front gardens or doorbells are being interfered with. Social media posts without Police contact will not reduce these problems. If you are reporting after an event has happened, search 'Northants Police', then 'Report', then select the type of incident from the list. You can ring 101 or

contact PCSO Rebecca (page 2). If you get a reference number then share that.

Our Neighbourhood Warden advises that If a vehicle is blocking the access to your drive you should speak to the driver, if present. If not take a photo & note the time period. This is classed as obstruction and is a POLICE MATTER. Similarly if the footway is impassable for wheelchairs or buggies and necessitates people having to go into the road, this is also obstruction so

If you see suspicious activity report any description of the person involved. Police tell us this could be the final piece of the jigsaw that they are compiling. We have included Sgt Paul's list of various ways of contacting them on page 11. Photographic evidence of incidents taking place, or the offenders moving off are needed. Ring 999 saying what you are witnessing and they will then give you a way of sending pictures to police. If you know where an offender lives or goes to school this will help.

photograph it. In either case ring 101 with details including the make, model, colour and registration of the vehicle, or go to Northants Police website and select "Report", then Antisocial Behaviour and work through the form to the end submitting your picture.

All donations are welcomed: please contact Hardingstone church, or visit <https://www.crowdfunder.co.uk/p/hardingstone-jubilee-mural> for more details of sponsorship.
